

TALLOW STREET

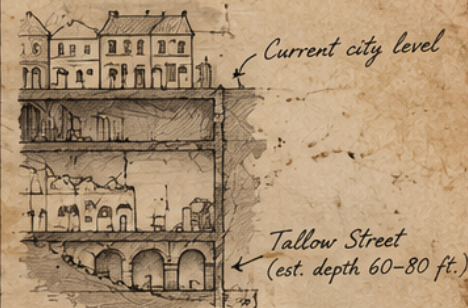

Lower City Plan (Partial)

Copied from an older survey - date unknown

This section lies beneath the current Harbor District. Appears to predate the third rebuilding. Likely older.

Structural notes suggest intact buildings. Worth examining.

SECTION VIEW (NOT TO SCALE)

*Stairs down
(from current
warehouse cellar)
- recently opened*

*Collapsed
beyond this point
(passage unknown)*

*Remember:
The city keeps its secrets.
Brick and stone only hide them
for so long.*
